

LIVING GREEN™

Living Green is Fairfield's recycling and energy-efficiency plan for our communities.

Our goal is to provide opportunities to residents who are interested in making green lifestyle choices. This property will be Fairfield certified as a Living Green community and will offer the following amenities:

RECYCLING

On-site recycling
Use of recycled paper in offices and on promotional materials
Battery and cell phone disposal location

ENERGY

Motion detectors in models and common areas for reduced energy consumption
Ceiling fans increase airflow therefore decreasing the need for air conditioning
Dual-pane windows help regulate room temperature, reducing the need for heat and air conditioning
Energy saving light bulbs in models and interior common areas

ENVIRONMENT

Environmentally friendly cleaning products

TRANSPORTATION

Carpool communication center
Walking distance to public transportation

OTHER

Reusable shopping bags provided to residents
